

Stone Sour - Tired

Tom: Gb

(Ebm) (5x)
(B)

Ebm
I'm alive in here
So alive in here

B Ebm
Pulling down a little peace
I'm open wide in here
Slow to rise in here

B
Saving grace and killing me

Db Ebm
You say this only makes me incomplete
Db Ebm

Db Ebm
I'm cancelled out and rendered obsolete
Db Ebm
Tell the Machiavellian he's not welcome anymore
Db
I know what I'm looking for

B
Somewhere close!

Db
Somewhere safe!

B Db
Somewhere I know, I know, I'll never live in chains

B Db B
The one, is now aware, so stay away from me

Db Ebm
I'm just too young to care!

Ebm
I can see in here
And I can feel in here

B Ebm
Comatose with common sense
I take my time in here
Somebody get me out of here

B
What am I so against?

Db Ebm

I just wanna watch the whole world burn

Db Ebm

Lost a million times and I won't learn

Db
Show me someone innocent

Ebm
I'll show you there's no proof

Db
I may be gullible but I'm no fool

B
I'm not close

Db
I'm not safe

B Db
I don't know, dunno, am I better off in chains?

B Db B
The one, is not aware, so stay away from me

Db Ebm
I'm just too young to care
