And I got you

All the slippin' that I **B B B A**

**B B B A**  
I got you, I got you

**Gb**  
All the slippin' that I slap me

I got you  
But it's the feeling that I get when you're away

And I got you to fill the craving that I get inside my mind  
When you're there to fill the space I have inside, I feel like
