Finally I've met you
The day has come
You're more than beautiful
And you're my son
E
I don't deserve this
I never thought it could be

Quite like the moment
When you first smiled at me
E
A toothless, wonderful feeling
Like I'd never seen
Gb
It's you, Noah, it's you

DaddA DaddAb DaddA

I'll protect you

What does God look like?
And angels' wings?

I'll watch you breathe

And I pour the coffee
