

Strahan - Deliverance

Tom: **G**

G
Your love is a flood and I drink deep when the tide is up
D **Em** **C**
Oh would you flood me too?
G
Saltwater in my blood has made me taste sweet to the world
D **Em** **C**
Oh and you taste sweet too

Em **C**
This is my deliverance hands held high as you deliver it
G **D**
Oh you have made me a child of God
Em
My feet on the ground and my heart in heaven
C
I am bread made without the leaven
G **D**
Oh you have made me a child of God

G
I lay in the sand with sweet forgiveness in my hand
D **Em** **C**

Oh as a gift from you

G
Your water floods my brain this grey cranium won't be the same
D **Em** **C**
No where I've been won't do

Em **C**
This is my deliverance hands held high as you deliver it
G **D**
Oh you have made me a child of God
Dbm
My feet on the ground and my heart in heaven
C
I am bread made without the leaven
G **D**
Oh you have made me a child of God

C **Em** **D**
And I won't go
C **Em** **D**
Until I know
C **Em** **D**
That you have sown
Am **C**
All you have in me
