

# Stryper - The One

Tom: E

**Dbm** **B** **A**  
I've blown up our world, and scattered pieces behind

**Dbm** **B** **A**  
A boy and innocent girl, defined one of a kind

**Gbm** **A**  
Love was making, we were taking

**B**  
But now it's harder to find

**Dbm** **Abm** **A** **Dbm** **B**  
You still move ? oh, you still move me yeah

**Dbm** **Abm** **A** **Dbm** **B**  
You will always ? you will always be the one

**Dbm** **B** **A**  
I say with a smile, all I should with a word  
**Dbm** **B** **A**  
You've stayed for a while, it's bordering on absurd  
**Gbm** **A**  
Cause that's your glory and pains my story  
**B**  
But grace is what I'd prefer

**Dbm** **Abm** **A** **Dbm** **B**  
You still move ? oh, you still move me yeah  
**Dbm** **Abm** **A** **Dbm** **B**  
You will always ? you will always be the one
