

Stu Larsen - By The River

Tom: **D**

m

Dm **C**
By the river, through the summer
Bb **A**
I waited patiently
Dm **C**
You had promised, with all your power
Bb **A**
To come and rescue me
A **C** **Dm**
To come and set me free

Dm **C**
And you were running, through the valley
Bb **A**
Heading straight for me
Dm **C**
My mind was shaking, but I was ready
Bb **A**
For you to rescue me
A **C** **Dm**
For you to set me free

Dm
Hooooo oohhh
C
Hooooo oohhh
Bb
Hooooo oohhh
A
Heeyyyyy

Dm **C**
I found a letter, floating in a bottle

Bb **A**
Being washed away to the sea
Dm **C**
Penned by freedom, addressed to no one
Bb **A**
For who now could it be?

Dm
Hooooo oohhh
C
Hooooo oohhh
Bb
Hooooo oohhh
A
Heeyyyyy

Dm **C**
I saw a vision, some kind of apparition
Bb **A**
But it felt so real, so free
Dm **C**
I had a conversation, a faint of liberation
Bb **A**
For who now could it be
A **C** **Dm**
For anyone but me

Dm
Hooooo oohhh
C
Hooooo oohhh
Bb
Hooooo oohhh
A
Heeyyyyy
