

Sub Rosa - I'll Always Be There For You

tom:

G

Our love doesn't need a reason
But that's a wise choice, be sure

In the future, like the past

I'm the one who loves you best

And I'll always be here for you

I'll always be there for you

I'll always be here for you

Whenever life will roll the dice

I'm gonna tell you once and twice

That I'll always be there for you

When the world demands a decision (you're the one I love)

You're my only choice, for sure (you live in my heart)

If the moments run so fast

Yours is the love that ever lasts

And I'll always be here for you

I'll always be there for you (I'll be there for you)

I'll always be here for you

Hear my greatest advice (I'll be there)

What has value has no price (I'll be there)

And I'll always be there for you (I'll be there for you)

I'll always be there for you (I'll be there for you)

I'll always be here for you

Whenever life will roll the dice (I'll be there)

I'm gonna tell you once and twice (I'll be there)

That I'll always be there for you (I'll be there for you)

To make you happy is my only mission (you're the one I love)

Your protection is my only rule (you live in my heart)

Hear the heartbeats on my chest

You're the first, the next, the last

And I'll always be here for you

I'll always be there for you (I'll be there for you)

I'll always be here for you

When the Uninvited Guest

Comes to put my soul to rest

I'll forever be there for you

I'll always be there for you

I'll always be here for you

Until the very end of times

Yours is the love that never dies

And I'll always be there for you
