Em G
Close your eyes, but don't you sleep
C D
Hear these words I have to speak
Em G
I won't pretend you're safe in here
C D
?Cause there's a lot you have to fear

Em G
Keep your silence, don't ask me why
C D
And I'll bring the truth you can't deny
Em G
But if a hint of doubt starts to show
C D
Your ego tries to make me go

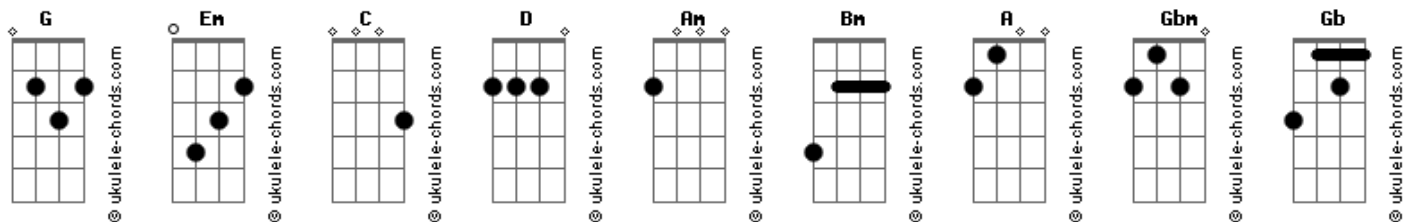

Am G
But I shall be here
(In the dead of the night, when the world's asleep)
Am G
And I will always be here
(I'll give you the reason when no one else agrees)

Em G
I know sometimes it's hard to believe
C D
But there's a meaning for the life you live
Em G
Forget old scrolls and secret crests
C D
You just should look inside (around) yourself

Am G
And you'll find it here
(At the end of the rainbow, in the gates of the keep)
Am G
And I will always be here
(Some will call it a curse, others will praise the bliss)
(Em G C D)

Em G
You've heard the Voice, all she said is true

A blinking eye and all your life is done

But I (and I) shall be here

And I will always be here
(I'm the wake of your smile, I'm the comfortable tear)
