

Sublime with Rome - Spun

Tom: **G**

Intro: **G Em Am D**

G **Em**
I'm spun, just like a raisin in the sun
Am **D**
I'm fried up but the fun has just begun
G **Em**
And I swear, with all the love inside my head
Am **D**
I've gotta dish it out and gotta share
C **D** **C**
But lately I've been walking this road, searching for an end
D
But I've finally figured out

G **Em**
Ban me from your company
Am **D**
And I'll meet you where the sunlight meets the gold
G **Em**
Oh show me something I've never seen
Am **D**
And I promise I'll be right there waiting
(**G Em Am D**)

G **Em**
I'm free, from all the judgment that you put on me
Am **D**
And I know it grows and I know it dies inside
G **Em**

I shake, and just so I can get a breath
Am **D**
Cause if they had it their way they'd push me to my death
C **D** **C**
Cause I've been walking this road, searching for an end
D
But I've finally figured out

G **Em**
Ban me from your company
Am **D**
And I'll meet you where the sunlight meets the road
G **Em**
Oh show me something I've never seen
Am **D**
And I promise I'll be right there waiting

C **G B C**
And watch it grow and die inside
