

Sublime - Badfish-boss Dj

```
Tom: Bb
                                                               that?s underneath my bed
 (com acordes na forma de
                                                               Ain't got no quarrels with God, ain't got no time to get old.
                                             A )
Capostraste na 1ª casa
CAPO #1
                                                               Lord knows I'm that weak, won't somebody get me off this reef?
Intro: (E Gbm D E )
                                                               There?s a steel train coming in, I would take it if I could,
When you grab a hold of me, you tell me that I'll never be set
                                                               And I would not lie to you because Sunday morning soon will
             Gbm
But I'm a parasite, creep and crawl I step into the night.
                                                               Things will be easier to say, upon the microphone like I?m a
Two pints of booze. Tell me are you a bad fish too? (are you a Boss D.J.
badfish too?)
                                                               I will walk up upon the stage like it was dry land,
Ain't got no money to spend. I hope the night would never end.
                                                               A Boss D.J. ain't nothin? but a man.
Lord knows that I'm weak. Won't somebody get me off this reef?
                                                               No trouble no fuss, I know why
Baby you?re a big blue whale, I?ll grab the reef when all duck
divin' fails
                                                               It's sooo nice, I wanna hear the same song twice,
And I can swim, but I wish I had never learned,
                                                               It's sooo nice, I wanna hear the same song twice
?cause the water's too polluted with germs.
                                                               Nowadays all the songs on the radio, they all drive me crazy
Dive deep when it's ten feet over head. And grab the reef
```
