Sublime - Ballad Of Johnny Butte

    This isn't 100% correct, but it's how i play it live and it |
sounds pretty good. i looked |
the other tab for this on here, and it wasn't 100% right |
either, so this is my attempt |
it. |
                                                                |
Standard Tuning (EADG) |
                                                                |
Verse |
                                                                |
| Chorus
|
| |
| |
                                                      |
| |
|
| give me some comments, i wanna know if this was a decent tab.
| thanks.
