I figured this song out by listening to the acoustic version, which is below.  
The original version is much better.  
Intro: horus :

Cra -

Verse is easy , its just :

<b>E</b>	<b>D</b>
7	5
7	5
9	7
9	7
7	5
7	5

**A** **E** **D**  
If he thinks he's gonna take you from me, hes gotta be a crazy  
crazy crazy

**Dbm** **Dbm Cm Bm** **A**

The bridge Part after chorus is just:

repeat **Gb** with riff at end :

**Gb** (riff1)  
My love for you is oh so strong

**Gb** (riff1)  
WE've been together for oh so long

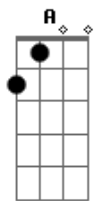

**Gb** (riff1)

**Gb F E** Is this this the way loves s'posed to be?

Then back to Verse.
