

Sublime - Santeria

```
Tom: E
                                                           All i really wanna say my baby
                                                                 В
                                                                          E Dbm
  (intro) E Ab Dbm B
                                                           All i really wanna say is i've got mine
                                                                 В
                                                                           E Dbm
                                                           And i'll make it yes i'm comin' up
                                                                     В
Verso 1:
                                                           Tell sanchito that if
I don't practice santeria i ain't got no crystal ball
                                                           Verso 3:
                                                                                          Ab
I had a million dollars but i'd i'd spend it all
                                                           He knows what is good for him he best go run and hide
                                                           Dbm
If i could find that heina and that sancho she's found
                                                           Daddy's got a new 45
         Dbm
                                                                                      Ab
Well i'd pop a cap in sancho and i'd slap her down
                                                           And i won't think twice to stick that barrel straight down
                                                           sancho's throat
Refrão:
                                                            Dbm
                                                           Believe me when i say that i've got something for his punk ass
                    F Dbm
All i really wanna know my baby
             E Dbm
All i really wanna say i can't define
                                                           Well i really wanna know my baby
     В
               E
It's love that i need
                                                                B E Dbm
         В
                                                           What i really wanna say is there's just one way back
But my soul will have to
                                                                 В
                                                                           E Dbm
                                                           And i'll make it
                                                           Yeah my soul will have to wait
Verso 2:
           F
                                                           Riff - Refrão:
Wait 'till i get back find a heina of my own
Daddy's gonna love one and all
                                                           As close as i could come to it at least. oh well i think i
                                                           Did a damn good job on it but you don't have to. toy with it
                                    Ab
I feel the break feel the break
                                                           Some and try to make it sound better. the intro was all i got
          Dbm
                                                           But it was worth it anyway. have fun...
And i gotta live it up
Oh yeah uh huh well i swear that i
                                                           ..let the last note ring until the verse breaks in with
             E Dbm
                                                           Abunch of chords and such.
All i really wanna know my baby
                   E Dbm
All i really wanna say i can't define
B E Dbm
                                                           Solo:
That love will make it go
         В
But my soul will have to
Solo:
Refrão:
                   F Dbm
        В
                                                                               ...ooooohhhh and i really wanna
                                                           know.....
