

Suede - Animal Nitrate

tom:

Intro: Bbm Ab Gb Ebm Bbm Ab Gb

Like his dad you know that he's had

Animal nitrate in mind

Oh in your council home he

Jumped on your bones

Now you're taking it time after time

Oh it turns you ooo-oon, ooo-oon

Now he has gone

Oh what turns you ooo-oon, ooo-oon

Now your animal's gone?

Well he said he'd show you his bed

And the delights of the chemical smile

So in your broken home he

Broke all your bones

And now you're taking it time after time

Oh it turns you ooo-oon, ooo-oon

Now he has gone

Oh what turns you ooo-oon, ooo-oon

Now your animal's gone?
