

Suede - By The Sea

tom:

Intro: A A A A

A
She can walk out anytime
Anytime she wants to walk out
That's fine

A
She can walk out anytime
Anytime she feels that life
Has passed her by

A Dbm
And when I start my new life
I won't touch the ground

A Dbm
I'm gonna try hard this time
Not to touch the ground

A
He can walk out anytime
Anytime she wants to walk out
That's fine

A
He can walk out anytime
Across the sand, into the sea
Into the brine

A Dbm
And when I start my new life
I won't touch the ground

A Dbm
I'm gonna try hard this time
Not to touch the grooound

A
So we sold the car
And quit the job
And shook some hands
And wiped the make-up
Right off

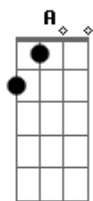

A
And we said our good-byes
To the bank
Left Seven Sisters for a room
In a seaside shack

A Dbm
And when I start my new life
I won't touch the ground

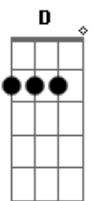

A Dbm
I'm gonna try hard this time
Not to touch the grooound

A Dbm
It's by the sea we'll breed
It's by the sea we'll breed
Into the sea we'll bleed
Into the sea we'll bleed
Into the sea
