tom:

E

Chorus

(A B A B A B Abm Gb ) 2  
 Finishes on "ones"  
 Intro: E A Gbm A E

There's a song playing on the radio  
 Gbm A E  
 Sky high in the airwaves on the morning show  
 E A  
 And there's a lifeline slipping as the record plays  
 Gbm  
 And as I open the blinds in my mind  
 A E  
 I'm believing that you could stay

A B  
 And oh if you stay I'll chase  
 A B  
 The rainblown fears away  
 A  
 We'll shine like the morning and  
 B Dbm Gb  
 Sin in the sun oh if you stay  
 A  
 We'll be the wild ones, running with the dogs today E

E A  
 There's a song playing through another wall

Gbm A E  
 All we see and believe is the DJ and debts dissolve  
 E A  
 And it's a shame the plane is leaving on this sunny day  
 Gbm  
 Cause of you my tattoo will be  
 A E  
 Bleeding and the name will stain  
 A B  
 But oh, if you stay we'll ride through  
 A B  
 Disguised suburban graves  
 A  
 We'll go from the bungalows where  
 B  
 The debts still grow each day  
 A B  
 And oh if you stay I'll chase  
 A B  
 The rainblown fears away  
 A  
 We'll shine like the morning and  
 B Dbm Gb  
 Sin in the sun oh if you stay  
 A  
 We'll be the wild ones  
 E  
 Running with the dogs today  
 A  
 We'll be the wild ones  
 E  
 Running with the dogs today

There's a song playing through another wall
