

# Suely Façanha - Com Poesia

tom:

Ah quem dera com palavras explicar o amor  
 Ah quisera com poesia comparar seu valor

É como as águas da chuva caindo ao encontro do mar  
 Tornando-se um só  
 Como a águia nos braços do vento vai  
 Ou a rosa e os raios de sol

Nosso amor assim será

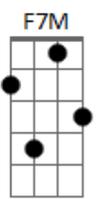

Deus é nosso horizonte nós dois o céu e a terra  
 Ele uniu nossas vidas e fez sagrada nossa família  
 Mais que a glória de um homem  
 Bem mais que as dores e o que vier  
 Deus será nossa força nossa alegria  
 Sustento da nossa fé

E pra sempre eu serei tua maria  
 E para mim serás meu josé
