

# Sufjan Stevens - Futile Devices

Tom: Ab

**Bbm7**  
It's been a long, long time  
**Bbm7 Eb**  
Since I've memorized your face  
**Bbm7**  
It's been four hours now  
**Bbm7 Eb**  
Since I've wandered through your place  
**Bbm7**  
And when I sleep on your couch  
**Bbm7 Eb**  
I feel very safe  
**Bbm7**  
And when you bring the blankets  
**Bbm7 Eb**  
I cover up my face  
  
**Bbm7**  
I do  
**Ab Eb**  
Love you  
**Bbm7**  
I do  
**Ab Eb**  
Love you

**Bbm7**  
And when you play guitar  
**Bbm7 Eb**  
I listen to the strings buzz  
**Bbm7 Bbm7 Eb**  
The metal vibrates underneath your fingers  
**Bbm7**  
And when you crochet  
**Bbm7 Eb**  
I feel mesmerized and proud  
**Bbm7**  
And I would say I love you  
**Bbm7 Eb**  
But saying it out loud is hard  
  
**Bbm7 Bbm7 Eb**  
So I won't say it at all  
**Bbm7 Fm7 Eb**  
And I won't stay very long  
  
**Bbm7 Ab Eb**  
But you are life I needed all along  
**Bbm7**  
I think of you as my brother  
**Ab Eb**  
Although that sounds dumb  
**Bbm7 Ab Eb**  
And words are futile devices
