

Sufjan Stevens - Futile Devices

Tom: **Ab**

Bbm
It's been a long, long time
Bbm Eb
Since I've memorized your face
Bbm
It's been four hours now
Bbm Eb
Since I've wandered through your place
Bbm
And when I sleep on your couch
Bbm Eb
I feel very safe
Bbm
And when you bring the blankets
Bbm Eb
I cover up my face

Bbm
I do
Ab Eb
Love you
Bbm
I do
Ab Eb
Love you

Bbm
And when you play guitar
Bbm Eb
I listen to the strings buzz
Bbm Bbm Eb
The metal vibrates underneath your fingers
Bbm
And when you crochet
Bbm Eb
I feel mesmerized and proud
Bbm
And I would say I love you
Bbm Eb
But saying it out loud is hard

Bbm Bbm Eb
So I won't say it at all
Bbm Fm Eb
And I won't stay very long

Bbm Ab Eb
But you are life I needed all along
Bbm
I think of you as my brother
Ab Eb
Although that sounds dumb
Bbm Ab Eb
And words are futile devices

Acordes
