

Sufjan Stevens - Sister Winter

Tom: D

(intro 2x) Bm D Em E

Bm D Em E
Oh, my friends I've begun to worry right
Bm D Em E
Where I should be grateful, I should be satisfied
Bm D Em E
Oh, my heart I would clap and dance in place
Bm D Em E
With my friends, I have so much pleasure to embrace
Bm D Em E
But my heart is returned to Sister Winter
Bm D Em E
But my heart is as cold as ice

(Bm D Em E) (2x)

Bm D Em E
Oh, my thoughts I return to summertime
Bm D Em E
When I kissed your ankle, I kissed you through the night
Bm D Em E
All my gifts, I gave everything to you
Bm D Em E
Your strange imagination, you threw it all away

Bm D Em E
Now my heart is returned to Sister Winter
Bm D Em E
Now my heart is as cold as ice

All my friends, I've returned to Sister Winter
Bm D Em E
All my friends, I apologzie, apologize

All my friends, I apologzie, apologize (repeat)
