Intro: G D C

Verso:

G D C G D C
Sometimes my life is smooth, it gets real tough.
G D C G D C
That's when it seems you come around and separate all that stuff.
G D C G D C
But ever gentle, just a touch of grace.
G D C G D C
I would never know, 'cause you are the sun, the moon, the rain and
every summer breeze that fills the sails
of every little boat out on the waves that carry me back home.

Refrão:

G D C
And we'll dance like no one is ever watching.
G D C
And we'll love each other til the early morning.
G D C
And we'll be together, girl, through stormy weather.
G D C
And we'll stay together, 'cause there's no way in hell I'd ever let you go.

G D C
I'd ever let you go.

Verso:

G D C
Never really felt like this before.
G D C
And the fighting, yelling, screaming makes me love you more.
G D C
I only wanna be right here with you,
G D C
just lyin' on the sand without a thing to do.
G D C
'Cause you're the sun, the moon, the rain and
every summer breeze that fills the sails
of every little boat out on the waves that carry me back home.

(Refrão)

G D C G
Just hold my hand, just hold my hand.
D C
Try to make her understand.
G D C G D C
Just hold my hand, won't you hold my hand?
G D C
You're the sun, the moon, the rain and every summer breeze
D C G
that fills the sails of every little boat
D C G D C
out on the waves that carry me back home.
