When it goes away....

twice)

Verse

Chorus

Bridge

running going.....

Chorus

La,la,la,la.....

Notation:

h = hammer on

LYRICS:

She's gone and I'm gonna find her  
(It's been so long)  
Yeah, I'm gonna find her  
She's gone away

When it goes away  
I'll dig a hole x4

Wasted, and I'm out of patience  
(It's been so long)  
Yeah, I'm out of patience  
She's gone away

Pain goes away  
I dig a hole x2

When it goes away  
I'll dig a hole x2

Runnin', goin' out at night  
Friends they push and pull you  
Burn out group poor flowers  
Spinning, falling outta time  
When it goes away  
I'll dig a hole x4

(La-la-la-la ooh)  
I'll dig a hole  
(La-la-la-la ooh)  
When it goes away  
(La-la-la-la ooh)  
I dig a hole  
(La-la-la-la ooh)  
Pain goes away
