

# Suki Waterhouse - Big Love

tom:  
Db (forma dos acordes no tom de C )  
Capostrate na 1ª casa

Sometimes when I take a deep breath

It brings up all my sadness  
But you wouldn't see it

How close I keep it  
Hands under the table

Counting on my fingertips

Who's left

And who's gonna leave me next

Sometimes when I take a deep breath

It brings up all my shadows

Sleeping around isn't stoppin' the bleeding

The tourniquet snapped when you said you were leaving

Thought I would die but my body resisted

Stared at the Sun till I found it

Big, big love

Big love, big love

Big love, big love

It's all I want

Big, big love

Big love, big love

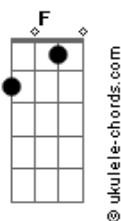

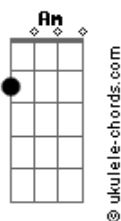

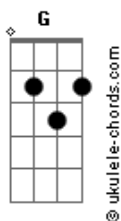

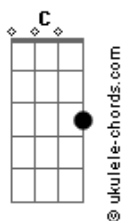

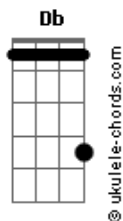

Big love, big love

Big love, big love

It's all my fault

I'm dangerous

## Acordes

Walking this line into oblivion  
Alice in Wonderland and on a cloud  
Calling your name out while I'm looking down

Sleepin' around isn't stoppin' the bleedin'  
The tourniquet snapped when you said you were leavin'

Thought I would die, but my body resisted  
Stared at the Sun till I found it

Big, big love  
Big love, big love, big love, big love

It's all I want

Big, big love  
Big love, big love, big love, big love

Big love, big love

Big, big love

Who's gonna come?

Who's gonna come?

Who's gonna come?

Big, big love

Who's gonna come? Who's gonna come? Who's gonna come?

Big, big love

Who's gonna come? Who's gonna come? Who's gonna come?

Big love, big love, big love, big love

It's all I want

Big, big love

Big love, big love, big love, big love

It's all I want
