

Suki Waterhouse - To Love

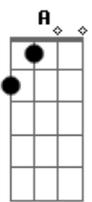

tom:
 D
 Is there a universe where our paths never crossed?
 D A Em
 Where I caught your eye
 D A Em
 But then someone arrived and we both forgot
 D A Em
 I travelled all corners where destiny called me
 Em
 And it almost killed me
 But I got good stories
 D D
 While you where out somewhere
 A
 In your own nightmare
 Em
 But now we're both here
 Gb7 G
 And we talk of how lucky we got
 Gm D
 As we watched old lovers we dodged
 Gb7 G
 While the world's falling apart
 Gm D
 You make it so easy to love
 Bm A G
 To love, to love, to love
 D A G
 Ah, ah, ah
 Bm A G
 To love, to love, to love
 D A G
 Ah, ah, ah
 D A G
 Ah, ah, ah
 D A Em
 How lucky we are
 D A
 Em
 Is there a space somewhere in your world that was always for
 me?
 D A Em
 And was it your face at the back of my mind haunting my dreams

D A
 Kept waking up lonely with voices around me
 Em
 They tell me you're out there, waiting to hold me
 D D
 What did they tell you?
 A Em
 I read you were lonely too
 Gb7 G
 And we talk of how lucky we got
 Gm D
 We could have fallen like stars
 Gb7 G Gm
 But you told me right from the start
 D
 I'm easy to love
 Bm A G
 To love, to love, to love
 D A G
 Ah, ah, ah
 Bm A G
 To love, to love, to love
 D A G
 Ah, ah, ah
 Bm A
 Now I found myself this kinda love
 G
 I can't believe it
 D A G
 I'll never leave it behind
 Bm A G
 I thought I'd never get to feel another fucking feeling
 D A G
 But I feel
 Bm A G
 This love, this love, this love
 D A G
 Oh, I feel it
 D A G
 This love, this love, this love
 D Gb7 G
 Oh how lucky we are
 D Gb7 G
 Oh how lucky we are
 Gm D G Gm D
 Oh how lucky we are
