

# Sum 41 - Heart Attack

Tom: **Gb**

(h: hammer down)

Intro: / Verse (2X for Intro, 2X for Verse)

Verse (Play 2X) (Guitar 1 plays intro, Guitar 2 plays the following)

Early morning, made by warnings, What's the point of the alarm that I'm ignoring

It's either raining, I'm not complaining, but waking up is hard to do so

Chorus (X4)

Turn your head it's back to bed with no delay???

After Chorus Part

Intro: (X2)

Verse (X2) (NO INTRO PART ON SECOND VERSE )

Chorus (X4)

Interlude (5X) (Palm Muted)

Intro: (5X)

Intro: & Verse (2X)

Chorus

Last Part (2X, then 2 times again along with Interlude)

End on

Well, there you go. I'm pretty sure this is all correct. This is a tough song to play, especially the intro, but it's an awesome song by Sum 41.
