Intro|
                                                                   While i'm right behind you thrusting
 Scotty doesn't know that fiona and me do it in my van every
                                                                   Fiona's got him on the phone
sunday
  She tells him she's in church but she doesn't go
                                                                   Yes she's trying not to moan
 Still she's on her knees and scotty doesn't know
Chorus|
                                                                   It's a threeway call and he knows nothing
                                                                 Chorus|
 Ohhh scotty doesn't know
So don't tell scotty
  Scotty doesn't know
  Scotty doesn't know
                                                                 Bridge [[CAUTION] Twanging]
  (So don't tell scotty)
Verse| PALM MUTED!
                                                                   The... parking lot... why not? It's so cool when your on top
                                                                   It's full on in the snow Life is so hard cause scotty
                                                                 doesn't know
                                                                   Scotty doesn't know
 Fiona says she's out shopping
                                                                 Intro: |
 But she's under me and i'm not stopping
                                                                    ... I did her on his birthday
Chorus|
                                                                 Ending Solo| [Played along with Chorus]
Verse| PALM MUTED!
```
