

# Sum 41 - So Long Goodbye

Tom: G

Intro: G C D G C D G

As time passes by, direction unknown  
 You've left us now but we're not alone  
 Before you know it your cups overflowed  
 You measured no one that I've ever known

And it's quite alright  
 And goodbye for now  
 Just look up to the stars

And believe who you are  
 Cause it's quite alright  
 And so long, goodbye

G C D G C D G

We always knew that it'd come to this  
 It's times like this i forget what i miss  
 Matters of art are hard to address  
 Especially when yours is full of emptiness

And it's quite alright

And goodbye for now  
 Just look up to the stars  
 And believe who you are  
 Cause it's quite alright  
 And so long, goodbye
