There are days that I think I'm crazy

No hopes or dreams you could've left me dead

Naive and not to mention

With all that I've done it's too late

I can't take back all that I have become

Em
So all that I'm trying to say
G
I'm looking for a better way
D
Some days it just gets so hard
Bm
And I don't wanna slip away

So what am I fighting for?

Everything back and more

And I'm not gonna let this go

I'm ready to settle the score
Em G D Bm
Get ready cause this is war

Em G D Bm

[Verso 2]

Another day in the right direction
G
I'm ok but I'm left to question

How did I get so far behind the rest?

Why am I so inclined to forget?

All the days that you made me crazy
G

Nowadays you don't even faze me

It's all the same and I don't stress none
