

# Summer Salt - Revvin My Cj7

tom:

**Bb**

It's been a long year **Bb** **Gm** **Cm**

As far as I can see **Dm**

I could use a vacation **Bb**

But I gotta take care of my family **Cm** **Bb**

Wrapping up another hard work day **Gm** **Dm**

I've gotta get back home **G7** **Cm**

So I shipped into bad gear and I cruise out **Bb**

To my favorite song **Cm** **F**

And still I don't know why **Bb** **Gm**

I'm always putting up a fight **Cm** **F**

When I'm so damn tired **Bb** **Gm**

From working overtime

**Cm** **F**

If I can't get it into heaven **Gm** **Cm**

I best be revvin my CJ7 **F**

Now ain't that the life **Bb** **Gm**

That keeps rolling me by **Cm** **F**

Two kids and a wife **Bb** **Gm**

My Miss. American pie

**Cm** **F**

If I can't get it into heaven **Gm** **Cm**

I best be revvin my CJ7 **F**

Now ain't that the life **Bb** **Gm**

Ain't that the life (Ain't that the life) **Cm** **F**

Ain't that the life

**Bb** **Gm** **Cm**

Stepping into the morning **Dm**

Sunglasses on **G7** **Cm**

**Bb**

Head's a little weak from drinking all of these nights alone **Gm** **Cm**

If I can stay out of trouble **Dm**

May be the death of me **G7**

But I was branded as a harmony rebel with **Cm** **Bb**

A tattoo at fifteen. **Cm** **F**

And still I don't know why **Bb** **Gm**

I'm always putting up a fight **Cm** **F**

When I'm so damn tired **Bb** **Gm**

From working overtime

**Cm** **F**

If I can't get it into heaven **Bb** **Gm**

I best be revvin my CJ7 **Cm** **F**

Now ain't that the life **Bb** **Gm**

That keeps rolling me by **Cm** **F**

Two kids and a wife **Bb** **Gm**

My Miss. American pie

**Cm** **F**

If I can't get it into heaven **Gm** **Cm**

I best be revvin my CJ7 **F**

Now ain't that the life **Bb** **Gm**

Ain't that the life (Ain't that the life) **Cm** **F** **Bb**

Ain't that the life

Ooo-woah-ooo-woah-oh

## Acordes
