Threw away your love letters
Abm7 Cm7
I thought it'd made me feel better
Dbm7
I finally got you out my bed
Abm7 Cm7
But I still can't get you out my head, ooh
Dbm7
I'm sending you one text at a time
Abm7 Cm7
I know your by your phone
Dbm7
So boy pick up your line
Abm7 Cm7
And I ain't too proud to beg
Dbm7
So what's been said has been said
Abm7 Cm7
And I need you to know
Dbm7

You don't know what love is
Abm7 Cm7
And I need you to know, you don't know
Dbm7
And you don't know what love is
Abm7 Cm7
If you don't put up a fight
Dbm7
You don't know what love is
Abm7 Cm7
If you don't stay up all night, crying
Dbm7
Boy and you don't know what love is
Abm7 Cm7
If you're too good to call a million times
Dbm7
And you say you know what love is
Abm7 Cm7
But I swear you never seen it in your life, ooh
Dbm7
I swear you never seen it in your life
Abm7 Cm7
I swear you never seen it in your life
