 Dbm
 Threw away your love letters
 Abm Cm
 I thought it'd made me feel better
 Dbm
 I finally got you out my bed
 Abm Cm
 But I still can't get you out my head, ooh
 Dbm
 I'm sending you one text at a time
 Abm Cm
 I know your by your phone
 Dbm
 So boy pick up your line
 Abm Cm
 And I ain't too proud to beg
 Dbm
 So what's been said has been said
 Abm Cm
 And I need you to know
 Dbm

You don't know what love is
 Abm Cm
 And I need you to know, you don't know
 Dbm
 And you don't know what love is
 Abm Cm
 If you don't put up a fight
 Dbm
 You don't know what love is
 Abm Cm
 If you don't stay up all night, crying
 Dbm
 Boy and you don't know what love is
 Abm Cm
 If you're too good to call a million times
 Dbm
 And you say you know what love is
 Abm Cm
 But I swear you never seen it in your life, ooh
 Dbm
 I swear you never seen it in your life
 Abm Cm
 I swear you never seen it in your life
