Honestly, I'm tryna stay focused

You must think I've got to be joking when I say
I don't think I can wait
I just need it now
Better swing my way
I just need some dick
I just need some love

Tired of fucking with these lame niggas
Baby, I just need a thug
Won't you be my plug, ayy
You could be the one, ayy
We could start with a handshake
Baby, I'ma need more than a hug
Girls can't never say they want it
Girls can't never say how
Girls can't never say they need it
Girls can't never say now
Girls can't never say they want it
Girls can't never say how
Girls can't never say they need it
Girls can't never say now, oh, now
Give it to me like you need it, baby
Want you to hear me screaming, heavy breathing
I don't need a reason, baby
