tom:
Some call this happy valley rock
Play I some music lord
I hope I won't come on too strong
You can't refuse it, yeah
But you know you might be wrong
Could call it reggae
You could call it rock and roll
Come on, get ready
There's a big ball going to roll
You'd better get up brother, up brother, up brother, up yeah
Don't you go too far
You'd better come down brother, down brother, down brother, down yeah
Like a shooting star
I had a dream oh yeah, in 1973
Dreamt a spaceship lord, came down to deliver me
It was big and white
And it come-on-on-on-on-on a long, long way, oh yeah
A black star liner, yeah?
Well, you know, I could not say
But it took me up brother, up brother, up brother, up yeah
