

Sun Diamond - My Bunker

Tom: C

Am
How can I draw the blue sky
C
If I can't see?
Am
Because I'm trapped in my bunker
C
Since the storm was gone
Am
It was all so simple
C
When I found myself alone
Am
Did the storm pass?
C
Can I find my way back home?

F Am
I could wait here all my life
F Am
Until you find me!
F Am
I could wait here all my life
F Am
Just so that you could find me!
