

# Sunday - I'm Gonna Get Married

Tom: F

Kind of love

Just a very special kind of love

Just a very special dream

I know I've never lived before

'Til I fell in love with you

Now the leaves are turning apple green

Now my lonely nights are through

These magic moments we're wastin' baby

Let me tie some flowers in your hair

Makin' memories in a summer rainstorm

It's love it's love we only have love to share

I'm gonna get married (I'm gonna get married)

And surrey down the aisle on wings of love

I'm gonna get married (I'm gonna get married)

And surrey down the aisle on wings of love

Kind of love

Just a very special kind of love...

(S o l o - igual à primeira)

Now you give my heart a song to sing

Lyrics of the many splendored thing

You pass my chair mess up my hair

All of these little things mean a lot

Do I love you? You know I love you

This Merry-Go-Round of love will never stop

I'm gonna get married (I'm gonna get married)

And surrey down the aisle on wings of love

I'm gonna get married (I'm gonna get married)

And surrey down the aisle on wings of love.

Kind of love

Just a very special kind of love...
