

Sundial - That's Love

tom:

D

I try to be cooler for you
A Bm G D
 I try to be beautiful for you
Bm A G D
 I try to be somebody else, but
A
 You let me see
G G D
 That I'm perfect for you

Bm D
 I'm sick in bed with no makeup on
G D
 And you still think I'm pretty
A
 I steal your covers and
Bm D G D
 You still let me even though it's chilly
Bm
 I fuck up all the time so I don't know why
A G D
 You're still so good to me
A Bm
 I guess
G
 That's love

(**D Bm Gbm**)

G D
 That's love, that's love

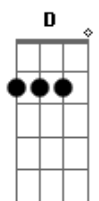

(**A Bm**)

G D
 That's love, that's love

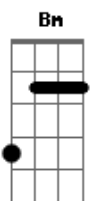

Bm G D
 I try to keep secrets from you
A Bm G D
 I try to be angry at you
Bm Gbm G D
 I try to seem fine by myself, but
A Bm
 You let me see
G D
 That I'm better with you

Bm Gbm
 I scream and shout over stupid things
G D
 But you still come and kiss me
A Bm
 I put up walls and you see right through me
G D
 Even though it ain't easy
A Bm
 I fuck up all the time so
Gbm G D
 I don't know why you're still right next to me
A Bm
 I guess
