

# Sunny Entre Estrelas - What To Do

Tom: D

(com acordes na forma de Eb )

Afinação: Eb Ab Db Gb Bb Eb Eb

Bb Cm Ab  
Tell me what to do about you  
I already know what I can see in your eyes  
When you're selling the truth  
'Cause it's been a long time coming  
So where you running to?  
Tell me what to do about you

Cm Bb  
You've got your way of speaking  
Even the air you're breathing  
You could be anything but  
You don't know what to believe in  
You've got the world before you  
If I could only show you  
But you don't know what to do

Eb Bb Cm Ab  
Tell me what to do about you  
Something on your mind baby all of the time  
You can run of room, oh yeah  
This day has been a long time coming  
I say it's nothing new  
So tell me what to do about you

Cm Bb  
You've got your way of speaking  
Even the air you're breathing  
You could be anything but  
You don't know what to believe in  
You got the world before you  
If I could only show you  
But you don't know what to do

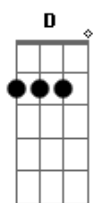

Cm  
You think about it  
Can you ever change?  
Finish what you started  
Make me wanna stay  
Tired of conversation  
Show me something real  
Find out what your part is  
Play it how you feel

Eb Bb Cm Ab  
Tell me what to do, about you  
Is there anyway, anything I can say  
Won't break us in two  
'Cause it's been a long time coming  
I can't stop loving you, yeah  
Tell me what to do about you

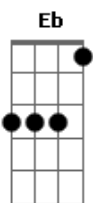

Cm Bb  
You've got your way of speaking  
Even the air you're breathing  
You could be anything but  
You don't know what to believe in  
You've got the world before you  
If I could only show you  
But you don't know what to do

Bb Eb Ab  
Oooh  
You could be anything but  
You don't know what to believe in  
World before you  
Show you  
But you don't know what to do  
Yeah
