<sup>Dm</sup> <sup>Bb</sup>  
You've lost one and all so fly away

Over the clouds, under the sky

With all your might, give up you

I don't believe anymore, your shallow heart

I know that it's you who chose to play this trick

I'll never forgive you, not for anything  
<sup>F</sup> <sup>Am</sup>

And now you are left with nothing
