

# Supertramp - Child Of Vision

Tom: Eb

Well, who do you think you're foolin'? <sup>Cm7</sup>

You say you're havin' fun, <sup>Cm7</sup>

But you're busy going nowhere, <sup>Gm7</sup>

Just lying in the sun. <sup>Gm7</sup>

You tried to be a hero, <sup>Cm7</sup>

commit the perfect crime <sup>Cm7</sup>

but the dollar got you dancing <sup>Gm7</sup>

and you're running out of time. <sup>Gm7</sup>

You're messin' up the water <sup>Cm7</sup>

You're rolling in the wine <sup>Cm7</sup>

You're poisoning your body <sup>Gm7</sup>

You're poisoning your mind <sup>Gm7</sup>

You gave me coca-cola <sup>Cm7</sup>

You said it tasted good <sup>Cm7</sup>

You watch the television <sup>Gm7</sup>

It tell you that you should. <sup>Gm7</sup>

How can you live in this way? <sup>Fm7</sup>

You must have something to say. <sup>Gm7</sup>

There must be more to this life. <sup>Ab</sup>

It's time we did something right. <sup>Bb</sup>

Child of Vision, won't you listen? <sup>Db</sup> <sup>Bb</sup>

Find yourself a new ambition. <sup>Eb</sup> <sup>C7</sup>
