

# Supertramp - Don't Leave Me Now

Tom: **G**

(intro) **Em C D Bm Am**

**Em**  
Dont leave me now  
**C**  
Leave me out in the pouring rain  
**C**  
With my back against the wall  
**D**  
Dont leave me now  
**Em**  
Dont leave me now  
**C**  
Leave me out with nowhere to go  
**C**  
And the shadows start to fall  
**D**  
Dont leave me now  
( **Em C D Bm Am** )

Dont leave me now  
Leave me out on this lonely road  
As the wind begins to howl  
Dont leave me now

Dont leave me now  
All alone on this darkest night  
Feeling old and cold and grey  
Dont leave me now

Dont leave me now  
Leave me holding an empty heart  
As the curtain starts to fall  
Dont leave me now

Dont leave me now  
All alone in this crazy world  
When Im old and cold and grey and time is gone...
