

Supertramp - Goodbye Stranger

Tom: **Ab**

Ab
It was an early morning yesterday
Db **Ab**
I was up before the dawn
And I really have enjoyed my stay
Db **Ab**
But I must be moving on

Ab
Like a king without a castle
Db
Like a queen without a throne
Ab
I'm an early morning lover
Db **Ab**
And I must be moving on

Ab
Now I believe in what you say
Db **Ab**
Is the undisputed truth
But I have to have things my own way
Db **Ab**
To keep me in my youth

Ab
Like a ship without an anchor
Db
Like a slave without a chain
Ab
Just the thought of those sweet ladies
Db **Ab**
Sends a shiver through my veins

Ab
And I will go on shining
Db
Shining like brand new
Ab
I'll never look behind me
Db **Ab**
My troubles will be few

Ab
Goodbye strange it's been nice
Db **Eb**
Hope you find your paradise
Ab
Tried to see your point of view
Db **Eb**
Hope your dreams will all come true
Ab
Goodbye Mary, Goodbye Jane
Db **Eb**
Will we ever meet again
Ab
Feel no sorrow, feel no shame
Db **Eb**
Come tomorrow, feel no pain

Ab
Sweet devotion
It's not for me
Db **Eb**
Just give me motion
And set me free
Ab
And the Land and the Ocean
Far Away
Db **Eb**
It's the life I've chosen
Every Day
Ab
So goodbye mary, goodbye jane
Db **Eb**
Will we ever meet again (x2)
I believe, yes i've got to get away

And some you just can't tell
And some they will and some they won't
Db **Ab**
With some it's just as well

Ab
You can laugh at my behavior
Db
That'll never bother me
Ab
Say the devil is my savior
Db **Ab**
But I don't pay no heed

Ab
And I will go on shining
Db
Shining like brand new
Ab
I'll never look behind me
Db **Ab**
My troubles will be few

Ab
Goodbye strange it's been nice
Db **Eb**
Hope you find your paradise
Ab
Tried to see your point of view
Db **Eb**
Hope your dreams will all come true
Ab
Goodbye Mary, Goodbye Jane
