After school is over  
You're playing in the dark,  
Don't be out too late  
Don't let it get too dark.  
They tell you not to hang around  
And learn what life's about  
And grow up just like them,  
Won't let you work it out

And you're full of doubt

E Am

C Dm E

C Dm E A B E E A B E  
Come and pull out your eyes\_\_\_\_\_.

(verse 3 - Same chords as before)

Maybe I'm mistaken  
Expecting you to fight  
Or maybe I'm just crazy  
I don't know wrong from right. But while I'm still living  
I've just got this to say  
It's always up to you, if you want to be that,  
F C E  
Want to see that, want to see it that way.  
Am  
You're coming along
