

Supla - If You Accept Me

tom:

Bm

G

Bm

You can deny what you know

G

Bm

To be real in your soul

G

Bm

And I'll forgive all your sins

A

Bm

If you accept me

G

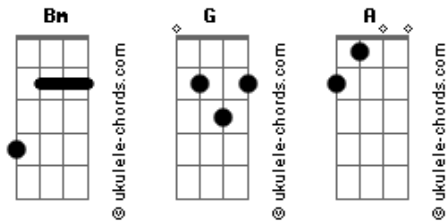

Bm

As I walk through this life

G

Bm

Acordes

I feel solace I feel the knives

G

Bm

Is this the way it should be?

A

Bm

If you accept me, if you accept me

G

Bm

If you repel what I send

G

Bm

This gaping hole is hard to mend

G

Bm

Broken chains, broken promises

A

Bm

Until you accept me
