

Surf Curse - Freaks

tom:

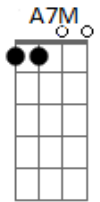

Don't kill me, just help me run away
From everyone I need a place to stay
Where I can cover up my face
Don't cry, I am just a freak

I am just a freak
I am just a freak

I am just a freak

My head is filled with parasites

Black holes cover up my eyes

I dream of you almost every night

Hopefully I won't wake up this time

I won't wake up this time

I won't wake up this time

I won't wake up this time
