Surfaces - Come With Me (feat. Salem Ilese)

tom:

D
G7M
Another Tuesday
D7M
And we sleep in till when it's too late
Bm7 G7M
'Cause summer is whatever you say
D7M Bm7
So, I don't mind at all, at all
G7M
It's a new place
D7M
If we close our eyes and paint a new way
Bm7 G7M
'Cause somewhere is wherever you say
D7M Bm7
So summer turns to fall, oh
G7M
And when the days feel like the same old circle
D7M Bm7
We'll bend the lines and make a new one
G7M D7M Bm7
Just to find the place where time is free
G7M
So, baby, come with me
D7M Bm7
As far as eyes can see
G7M
So, baby, come with me
D7M Bm7 G7M
And what is will be
D7M Bm7 G7M
What is will be
D7M Bm7
And what is will be
G7M
You take a Wednesday
D7M

Acordes

And you make it seem like it's the first day Bm7 Of the whole-wide week G7M You got that PCH type of energy D7M Bm7 Without the traffic, ooh G7M There's never bad days D7M When a good time is whatever we say Bm7 And the Sun's shinin' G7M So, what's your ETA? D7M Bm7 'Cause I just can't wait to go, ooh G7M And when the days feel like the same ol' circle D7M Bm7 We'll bend the lines and make a new one G7M D7M Just to find the place where time is free Bm7 (Time is free) G7M So, baby, come with me D7M Bm7 As far as eyes can see G7M So, baby, come with me D7M Bm7 G7M And what is will be D7M Bm7 Now what is will be, now what is G7M Now what is will be D7M Bm7 And what is will be
