I was corroded, pulled out of the drain
D **Gbm** **Em**
Stepped on, forgotten and tarnished with stains
Em **G** **A**
Met at the station all soaked from the rain
Em **G** **A**
We found the last two seats left on the train

D **Gbm** **Em**
What could be hiding from us in plain sight?
D **Gbm** **Em**
What are we guarding our hearts from tonight?
Em **G** **A**
One hour south and the clouds clear away
Em **G** **A**
Through flocks of seagulls, and down ancient lanes

D
Thought I had a corroded heart
Gbm **G**
Oxidizing, torn apart
D **Gbm** **G**
Now you're starting it up yet again

D **Gbm** **Em**
Each minute I notice something brand new
D **Gbm** **Em**
At the pavilion, absorbed into you
Em **G** **A**
Then at the pier with the moon on your face
Em **G** **A**
I knew I could love you the rest of my days
