

# Susana Felix - Subtil

Tom: G

**Bm** **G**  
 Toda a tua vida é um segredo,  
**Dm** **C** **G**  
 Guardado no silêncio dos teus passos,  
**Dm** **C** **G**  
 Discreto, misterioso e subtil,  
**Em** **D** **C** **Ab**  
 Nos gestos, nas palavras, no olhar.

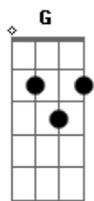

**G** **Cm** **Eb Ab**  
 Quem pode assim esconder de ti a alma?  
**G** **Cm** **Bb Ab**  
 Quem pode recusar-te a confissão?  
**G** **Em** **D** **C**  
 Da tua boca bebo a imensa calma  
**Em** **C** **Em** ( **Bm** **G** )

Que embala e adormece o coração.

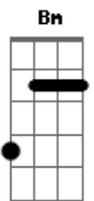

**Bm** **G**  
 Vagueias pela casa a horas mortas,  
**Dm** **C** **G**  
 Num bailado de sombras, quase ausente,  
**Dm** **C** **G**  
 Teus olhos franquiando essas portas  
**Em** **D** **C** **Ab**  
 Que se abrem sobre a vida da gente.

**G** **Cm** **Eb Ab**  
 Quem pode assim esconder de ti a alma?  
**G** **Cm** **Bb Ab**  
 Quem pode recusar-te a confissão?  
**G** **Em** **D** **C**  
 Da tua boca bebo a imensa calma  
**Em** **C** **Em**  
 Que embala e adormece o coração.
