

Suzi Quatro - If You Cant Give Me Love

tom:
[Primeira Parte]

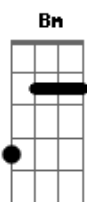

A
Well I've seen you before on that discotheque floor
Bm
You were driving me out of my mind
D
A
Oh, but I could have swore that I saw something more in your eyes
A
Although you were surrounded by beauty unbounded
Bm
Your glance was intended for me
D
A
And though I tried to hide it I found myself looking to see you
A
So then you took your chances, you made your advances
Bm
Your touch took my breath away
D
But when you said hello, are you ready to go
A
Well I had just one thing to say
E
[Pré-Refrão]

Bm E A Gbm

Bm E Bm E
If you can't give me feelings with old fashioned meanings

A
Well you may be the king (queen) of this discotheque scene
Bm
But honey I ain't looking for that
D
What I need is a man (lady), not some so-called aristocrat
A
Oh if only you'd waited, just hesitated, or maybe just asked me to dance
Bm
But you really don't know why I don't want to go
D
And baby that's why we don't stand a chance
A E
