

# Svrcina - Who Are You?

Tom: C

Do you feel safe?  
 Out in the light  
 Or is this the place  
 Where monsters hide?  
 Aah Aah

You're not such an easy target  
 One minute I know you, then I don't  
 I know you, then I don't

Hello, who are you? Uhhh!  
 Hello, who are you?  
 Who are you?  
 Hell oh, who are you? Uhhh!  
 Hello, who are you?  
 Who are you?

You can't escape

You can't outrun  
 Your DNA  
 What's in your blood  
 Aah Aah

You're not such an easy target  
 One minute I know you, then I don't  
 I know you, then I don't

Hell OH, who are you? Uhhh!  
 Hello, who are you?  
 Who are you?  
 Hell oh, who are you? Uhhh!  
 Hello, who are you?  
 Who are you?

Who are you?  
 Who are you? Who are you?  
 Who are you?  
 Who are you? Who are you?
