

Swedish House Mafia - Don 't You Worry Child

```
We ruled the world,
Intro: Bm A Bm D G D G D
                                                                            (D) G (D) G
                                                             Bm
                                                     (D) A
         Bm (A) Bm
                                 (D) G (D)
                                                     I thought I'll never lose her out of sight,
                                                     were so young
There was a time, I used to look into my father's eyes
                                                                   (D) G (D) G
( D ) Bm ( A ) Bm ( D ) G ( D ) G In a happy home, I was a king I had a gold throne
                                                     I think of her now and then
                                                                               (D ) G (D ) G (D )
                                                          (D) A Bm
      ( D A Bm ( D ) G ( D )
                                                     Still hear the songs reminding me of a friend
Those days are gone, now the memories are on the wall
( D ) A Bm ( D ) G ( D ) G
                                                                Bm ( D )
                                                      Up on the hill across the blue lake,
I hear the songs from the places where \ensuremath{\text{I}} was born
                                                       ( D ) G ( D ) Bm
                                                     thats where I had my first heart break
                                                     ( A ) Bm
                                                                     (D) G(D) G
                                                     I still remember how it all changed
Bm ( A )
                  ( D )
           Bm
Up on the hill across the blue lake,
                                                     my father said
                                                             {\sf Bm}
 (D) G (D) Bm
thats where I had my first heart break
                                                     Don't you worry, don't you worry child
( A ) Bm
                     ( D ) G (D ) G
                                                         G
I still remember how it all changed
                                                     See heaven's got a plan for you
my father said
                                                              Bm
                                                                                 G
                                                                                      Yeah!
A Bm
                                                     Don't you worry, don't you worry now..
